Judge Mrs D. Harding

I cannot imagine life without dogs, my parents had a German Shepherd and Yorkshire Terriers and my Grandfather bred Airedales.

I bought my first Shih Tzu in 1967 a solid pale gold bitch from the Snaefell Kennels closely followed by a black and White bitch from the Greenmoss kennels these were the foundation of the Taonan line and the Taonan line can be found in stock in Australia, USA, Denmark, Germany and S. Ireland.

I judged my first championship show in the 70's and the highlight of my judging career was to judge the breed at Cruft in 1991 with a record entry of 252 dogs,

I have judged on numerous occasions at Ch. Show level in Sweden, S.Ireland, Germany and France and I am looking forward to judging the wonderful Lhasa Apso breed.

Show awards issued by the Irish Kennel Club which count towards the title of Champion shall be five point Green Stars or more.

16. DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
